

I've Got A Crush On You

Diana Ross

How glad the many millions
Of Toms and Dicks and Williams
Would be
To capture me

But you had such persistence
You wore down my resistance
I fell
And it was swell

You're my big and brave and handsome Romeo
How I won you I will never never know
It's not that you're attractive
But oh my heart grew active
When you came into view

I've got a crush on you, sweetie pie
All the day and nighttime, hear me sigh
I never had the least notion
That I could fall with so much emotion
Taken from
Could you coo
Could you care
For a cunning cottage we could share
The world will pardon my mush
Cause I've got a crush, my baby, on you

Could you coo
Could you care
For a cunning cottage we could share
The world will pardon my mush
Cause I have got a crush,
My baby, on you
