

I Want You

Diana Ross

I want you the right way
I want you, but I want you to want me too,
Want you to want me baby
Just like I want you

Da da, da da, da da da

I'll give you all the love I want in return
But half a love is all I feel, sweet darling
It's too bad, it's just too sad
You don't want me no more
But I'm gonna change your mind
Some way, somehow

I want you the right way
I want you, but I want you to want me too,
Want you to want me baby
Just like I want you

Da da, da da, da da da

One way love is just a fantasy
To share is precious, pure and fair
Don't play with something you should cherish for life
Oh baby, don't you wanna care?
Ain't it lonely out there?

I want you the right way
I want you, but I want you to want me too,
Want you to want me baby
Just like I want you

I want you the right way
I want you, but I want you to want me too,
Want me baby, just like I want you.
Da da, da da, da da da

I want you, the right way
Want me baby
Don't play with something you should cherish for life
