

# I Will

Diana Ross

Who knows how long I've loved you  
You know I love you still  
Will I wait a lonely lifetime  
If you want me to, I will.

For if I ever saw you  
I didn't catch your name  
But it never really mattered  
I will always feel the same.

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart.

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
And you know I will

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart.

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
For the things you do endear you to me  
You know I will  
I will.
