

# I Wouldn't Change A Thing

Diana Ross

I wouldn't change a thing  
If I had to live my life all over  
I wouldn't change a thing  
If I had to live my life all over

I lived a life that's full  
Many times I had to pull my way to the top  
Never knowing where I'm gonna stop  
I made my mistakes  
But lord, what I learned  
It led me straight to you babe  
And that's my only concern

I wouldn't change a thing  
If I had to live my life all over  
Oh, I'd do it all again  
If I had to live my life all over

It saddens me to think  
That somewhere along the way  
I'd change my course  
And I wouldn't be here today  
So I'll take my ups and downs  
And bear it with a smile  
Cause it brought me straight to you babe  
And it makes it all worthwhile

I wouldn't change a thing  
If I had to live my life all over  
I'd do it all again  
If I had to live my life all over

Here I am  
Here I'll stay  
Here I am  
Here I'll stay...
