

# If We Hold on Together

Diana Ross

Don't lose your way with each passing day  
You've come so far, don't throw it away  
Live believing dreams are for weaving  
Wonders are waiting to start  
Live your story, faith, hope and glory  
Hold to the truth in your heart

If we hold on together  
I know our dreams will never die  
Dreams see us through to forever  
Where clouds roll by for you and I

Souls in the wind must learn how to bend  
Seek out a star, hold on to the end  
Valley, mountain, there is a fountain  
Washes our tears all away  
Waves are swaying, someone is praying  
Please let us come home to stay

If we hold on together  
I know our dreams will never die  
Dreams see us through to forever  
Where clouds roll by for you and I

When we are out there in the dark  
We'll dream about the sun  
In the dark we'll feel the light  
Warm our hearts, everyone

If we hold on together  
I know our dreams will never die  
Dreams see us through to forever  
As high as souls can fly  
The clouds roll by for you and I
