If We Hold on Together

Diana Ross

Don't lose your way with each passing day You've come so far, don't throw it away Live believing dreams are for weaving Wonders are waiting to start Live your story, faith, hope and glory Hold to the truth in your heart

If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by for you and I

Souls in the wind must learn how to bend Seek out a star, hold on to the end Valley, mountain, there is a fountain Washes our tears all away Waves are swaying, someone is praying Please let us come home to stay

If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by for you and I

When we are out there in the dark We'll dream about the sun In the dark we'll feel the light Warm our hearts, everyone

If we hold on together
I know our dreams will never die
Dreams see us through to forever
As high as souls can fly
The clouds roll by for you and I
