## In Your Arms

**Diana Ross** 

Hold me, touch me, make me your woman
I will love you with sweet surrender
Tonight our hearts will beat as one
So won't you hold me, make me your woman

Tonight, something in your eyes I see A pure and simple honesty Won't you hold me in your arms Tonight will last forever Let's not waste this precious time This moment's ours to treasure

Won't you hold me in your arms Don't make me wait forever When the morning sun appears We'll find our way together

Believe you when you say that you love me Know that I won't take you for granted Tonight our hearts will beat as one Hold me, make me your woman

Tonight, something in your eyes I see I won't betray your trust in me Won't you hold me in your arms
Tonight will last forever
Let's not waste this precious time
This moment's ours to treasure

Won't you hold me in your arms Don't make me wait forever When the morning sun appears We'll find our way together

Hold me, touch me
Make me your woman tonight
