Diana Ross

Mirror, mirror on the wall  
You said you had the answer to it all  
You never told me I'd take a fall  
Mirror, mirror on the wall

You, you turned my life into a paperback novel  
Words that come to life inside your little melodrama  
Chapter one, when I was young I came to you with my problems  
Chapter two, you promised me love and anything that I desired

Tell me mirror, mirror, mirror on the wall  
Thought you said you had the answer to it all  
Never told me I was gonna take a fall  
Tell me mirror, mirror, mirror on the wall

You have nailed my heart upon the wall for your pleasures  
You have cast a spell that cannot ever be broken  
And now my eyes grow tired, I watch my picture getting older  
But I remain the same, trapped in this mirror forever

Tell me mirror, mirror, mirror on the wall  
Thought you said you had the answer to it all  
You never told me I was gonna take a fall  
Tell me mirror, mirror, mirror on the wall

I talk to you each night and I follow your advise  
You've been wrong  
What's the price I have to pay  
For this fairy tale thing called love?  
Let me go

Tell me mirror, mirror, mirror on the wall  
Thought you said you had the answer to it all  
Never told me I was gonna take a fall  
Tell me mirror, mirror, mirror on the wall

Mirror, mirror

Tell me mirror, mirror on the wall  
I thought you said you had the answer to it all  
You never told me I was gonna take a fall  
Tell me mirror, mirror on the wall

Tell me mirror  
Tell me mirror
