

# No One's Gonna Be a Fool Forever

Diana Ross

Darlin'..  
You know you've got the cruelest streak  
You only say you love just to  
Keep me weak  
Your loving words have kept me here for  
Many years  
I'm leavin'..I'll face the tears  
You know that

No-one's gonna be a fool forever  
Ain't no-one gonna be a fool for life  
No-one's gonna be a fool forever  
This fool is gonna say goodbye

Beautiful plans are hard to forget  
You promised me a family  
A little girl with braids skipping  
Off to school  
A part of you and me will never be  
You know that

No-one's gonna be a fool forever  
Ain't no-one gonna be a fool for life  
No-one's gonna be a fool forever  
This fool is gonna say goodbye

No-one's gona be a fool forever  
This fool is gonna say goodbye

Darlin  
I'm leaving you, but with regrets  
Everything I have for you is gone  
There's nothing left  
You had me apologize for things  
I didn't do  
To keep my self-respect  
I'm leaving you  
You know that

No-one's gonna be a fool forever  
Ain't no-one gonna be a fool for life  
No-one's gonna be a fool forever  
This fool is gonna say goodbye
