No One's Gonna Be a Fool Forever

Diana Ross

Darlin' ...

You know you've got the cruelest streak
You only say you love just to
Keep me weak
Your loving words have kept me here for
Many years
I'm leavin..I'll face the tears
You know that

No-one's gonna be a fool forever Ain't no-one gonna be a fool for life No-one's gonna be a fool forever This fool is gonna say goodbye

Beautiful plans are hard to forget You promised me a family A little girl with braids skipping Off to school A part of you and me will never be You know that

No-one's gonna be a fool forever Ain't no-one gonna be a fool for life No-one's gonna be a fool forever This fool is gonna say goodbye

No-one's gona be a fool forever This fool is gonna say goodbye

Darlin

I'm leaving you, but with regrets
Everything I have for you is gone
There's nothing left
You had me apologize for things
I didn't do
To keep my self-respect
I'm leaving you
You know that

No-one's gonna be a fool forever Ain't no-one gonna be a fool for life No-one's gonna be a fool forever This fool is gonna say goodbye
