

# Nothing but Heartaches

Diana Ross

Nothing but heartaches  
Ooh, nothing but heartaches  
He brings nothing but heartaches  
I can't break away from his arms  
I can't break away from his charms  
I can't break away from his kiss  
'Cause his kiss I'll shouldn't miss

All my life  
I needed someone to need me  
So I do my very best to please him  
But the more and more I care  
The more of him other girls share  
When I need a hand to hold  
That's the time he leaves me all alone  
Just keeps me, keeps me crying myself to sleep

He brings nothing but heartaches  
Ooh, nothing but heartaches  
But I can't break away  
Oh, no keep a loving him more each day  
Oh, I can't break away from his arms  
I can't break away from his charms  
I can't break away from his kiss  
'Cause his kiss I'll shouldn't miss

To him I'm loyal, to him I'm true  
Why can't he be the same way too  
But the more my love has grown  
The less love he had shown

He makes promisses he doesn't keep  
Sometimes I don't see him all week  
Just keeps me, keeps me crying myself to sleep

He brings nothing but heartaches  
Ooh, nothing but heartaches  
But I can't break away  
Oh, no keep a loving him more each day  
Oh, I can't break away from his arms  
I can't break away from his charms  
I can't break away from his kiss  
'Cause his kiss I'll shouldn't miss

Nothing but heartaches  
Ooh, nothing but heartaches  
I can't break away, oh no  
Keep a loving him more each day
