

# One Love in My Lifetime

Diana Ross

Ooh,yeah  
From rags to riches, here I stand  
Shaped and molded by your loving hand  
With faith and trust unshaken  
You led me all the way  
Through years of joy and tears  
I'm standing here to say

You're that one love in my lifetime  
And if I search this whole wide world  
I know I'll never find a love that's stronger  
Than an oak tree  
That will be standing in the sun  
When my life is done, yeah

A carefree girl  
I couldn't see  
All the future plans darlin'  
You made for me  
You placed the whole world  
At my feet  
And lit a flame of passion  
That burns eternally

Love may come  
And love may go  
But you're the man that made me  
And no one else can change me  
You're my Adam, and I'm your Eve  
And if I live a hundred years  
I know there'll only be  
One love in my lifetime  
Only one love  
Burning in this heart of mine

You're the one love  
In my lifetime  
And if I live a hundred years  
I know I'll never find  
A love that's stronger  
Than an oak tree  
That will be standing in the sun  
When my life is done

One love in my lifetime  
Only one love  
Burning in this heart of mine  
One love  
Burning in this heart of mine  
One love
