## **Someday at Christmas**

**Diana Ross** 

Someday at Christmas men won't be boys Playing with bombs like kids play with toys One warm December our hearts will see A world where men are free

Someday at Christmas there'll be no war When we have learned what Christmas is for When we have found what life's really worth There'll be peace on earth

Someday all our dreams will come to be Someday in a world where men are free Maybe not in time for you and me But someday at Christmas

Someday at Christmas we'll see a land With no hungry children, no empty hand One happy morning people will share A world where people care

Someday at Christmas there'll be no tears When all men are equal, no man has fears One shining moment, one prayer away From our world today

Someday at Christmas men will not fail Hate will be gone and love will prevail Someday a new world that we can start With hope in every heart

Someday all our dreams will come to be Someday in a world where men are free Maybe not in time for you and me But someday at Christmas time
