

Stoned Love

Diana Ross

Now I wanna tell you of a great love
Oh, it will light up, it will surely light up darkened worlds
If you'll just believe stoned love

Stoned love, oh yeah
A love for each other will bring fighting to an end
Forgiving one another, time after time doubt creeps in
But like the sun lights up the sky with a message from above
Oh yeah, I find no other greater symbol of love

Don't you hear the wind blowing
Stoned love, oh yeah
I tell you I ain't got no other
Stoned love, oh, yeah

Life is so short, put the present time at hand, oh yeah
And if you're young at heart rise up and take your stand
And to the man on whose shoulder the world must depend
I pray for peace and love, amen

Can't you feel it
Stoned love, oh yeah
I tell you I ain't got no other
Stoned love, oh, yeah

If a war 'tween our nations passed, oh yeah
Will the love 'tween our brothers and sisters last
On and on and on and on and

Stoned love, yeah
I tell you I ain't got no other
Stoned love
Can't you, can't you, can't you, can't you, can't you feel it
Stoned love, oh yeah
Stoned, stoned, stoned, stoned
Stoned love, oh yeah, yeah, yeah, yeah, yeah
Stoned love, oh yeah, yeah, uh huh
Stoned love
