Stop, Look, Listen

Diana Ross

You're alone all the time Does it ever puzzle you Have you asked why You seem to fall in love and out again

Do you really ever love or just pretend, oh, baby Why fool yourself Don't be afraid to help yourself It's never too late, too late to

Stop, look, yes, listen to your heart Hear what it's sayin' Stop, look, listen to your heart Hear what it's sayin' love, oh, love, love

Though you try, you can't hide All the things you really feel this time decide That you will open up, let it in There's no shame in sharin' love you feel within So jump right in head over heels and fall right in It's never too late, too late to

Stop, look, listen to your heart
Hear what it's sayin'
Stop, look, oh, listen to your heart
Hear what it's sayin' love, love, love

Darlin', darlin', stop and look
(Stop right now and listen to your heart)
Oh, listen to your heart hear what it's sayin'
(Can't you see that it's not too late)
Stop and look and listen to your heart hear what it's sayin'

Stop and listen to your heart right now
(Stop, look)
(Listen to your heart hear what's it's sayin')
Oh, can't you see that it's not too late
(Stop, look)
(Listen to your heart hear what it's sayin')

Darlin', stop and look And listen to your heart hear what it's sayin' Stop, baby (Stop right now and listen to your heart) And listen to your heart hear what it's sayin? (Ooh, ooh, can't you see that it's not too late)
