

Stormy Weather

Diana Ross

Don't know why
There's no sun up in the sky
Stormy weather
Since my man and I ain't together
It's raining all the time

When he went away
The blues came in and met me
If he stays away
old rockin' chair will get me.
All I do is pray
the lord above will let me
Walk in the sun once more

Can't go on
Everything I have in my life is gone
Stormy weather
since my man and I ain't together
Keeps raining all the time
Keeps raining all the time
