

# Swept Away

Diana Ross

I was lying there, lying on the beach  
I dreamed you were there  
I feel the heat, the sun and the waves  
When you touch my hand  
We were on a desert island  
And I had a dream, I was swept away

You and I are on an island  
Where I thought the storm would never end  
I saw your light on the horizon  
And I knew that I was blown away again

No it doesn't matter, yeah  
It doesn't matter  
'Cause nothing lasts forever  
'Cause nothing last forever  
No it doesn't matter, yeah  
It doesn't matter  
'Cause nothing lasts forever  
Nothing last forever

I was swept away, I was swept away  
Swept away, I was swept away with you  
Swept away, I was swept away  
Swept away, I was swept away with you

The rise and fall is endless  
The risk you run of being lost in blue  
You caught my drift while I was restless  
When the current flows, I'm gonna flow with you

No it doesn't matter, yeah  
No, it doesn't matter  
'Cause nothing last forever  
Nothing last forever  
No it doesn't matter, no  
No, it doesn't matter  
'Cause nothing last forever  
Nothing last forever

I was swept away, I was swept away  
Swept away, I was swept away with you  
Swept away, I was swept away  
Swept away, I was swept away with you

For a day or maybe for a lifetime  
Break away is he throwing me a lifeline  
If I say that this will be the last time  
Swept away, will it end with you?

I was swept away  
Swept away, swept away  
Swept away, swept away, swept away

No it wont, no it wont, no it doesn't matter  
Nothing lasts forever  
Nothing lasts, nothing lasts, nothing lasts forever

Swept away, nothing lasts forever

No it wont, no it wont, no it doesn't matter  
Nothing lasts, nothing lasts forever  
Nothing lasts, nothing lasts, nothing lasts forever  
Swept away, nothing lasts forever

No it wont, no it wont, no it doesn't matter  
Nothing lasts, nothing lasts, nothing lasts forever  
Swept away
