

# The Happening

Diana Ross

Hey life look at me, I can see the reality  
'Cause when you shook me, took me out of my world  
I woke up, suddenly I just woke up to the happening

When you find that you left the future behind  
'Cause when you got a tender love you don't  
Take care of, then you better beware of the happening

One day you're up, then you turn around  
You find your world is tumbling down  
It happened to me and it can happen to you

I was sure, I felt secure, until love took a detour  
Yeah, ridin' high on top of the world  
It happened, suddenly it just happened

I saw my dreams fall apart when love walked away from my heart  
And when you lose that precious love you need to guide you  
Something happens inside you, the happening

Now I see life for what it is  
It's not all dreams, it's not all bliss  
It happened to me and it can happen to you  
(Once)

Ooh, and then it happened  
Ooh, and then it happened  
Ooh, and then it happened  
Ooh, and then it happened

Is it real, is it fake, is this game of life a mistake?  
'Cause when I lost the love I thought was mine  
For certain, suddenly I started hurting

I saw the light too late when that fickle finger of fate  
Yeah came and broke my pretty balloon  
I woke up, suddenly I just walked up to the happening

So sure, I felt secure, until love took a detour  
'Cause when you got a tender love you don't  
Take care of, then you better beware of the happening
