Too Shy to Say

Diana Ross

You make me smile
You make me say
You make me feel good every day
You bring me up
When I've been down
This only happens when you're around

And I can't go on this way
Feel it stronger every day
But being too shy to say
That I really love you

I wanna fly
Away with you
Until there's nothing more for us to do

I wanna be
More than a friend
Until the end of an endless end

And I can't go on this way
Feel it stronger every day
But being too shy to say
That I really love you

And I can't go on this way
Feel it stronger every day
But being too shy to say
That I really love you
I do
