

What I Did for Love

Diana Ross

Before the day is done
The sweetness and the sorrow
It's as if I always knew
And I won't forget what I did for love
What I did for love

Gone, love is never gone
As we travel on
Love's what we remember

Look, my eyes are dry
The gift is ours to borrow
I do what I had to do
Can't forget, don't regret
What I did for love
