

Kiss Of A Bullet

Diana Vickers

Black tears falling into monochrome,
White lights, sleeping on my pillow,
And downstairs you pour another bourbon on the rocks,
So cold, my cries echo,

Black smoke rising from my cigarette,
It kills time waiting in the shadows,
And downstairs you pour another bourbon on the rocks,
So cold, I'm all alone,

Shine the spotlight on me, you only get one scene,
And tonight, show me some affection,
This little movie of mine, you keep forgetting the lines,
And tonight, I need some attention,

Oh, oh, over we go,
Some like it hot but I like it cold,
Now you're spinning me out, round and around,
Like the kiss of a bullet when you, shoot me down

Bang, bang shoot me down, shoot me down
Bang bang, shoot me down,
Bang bang, shoot me down, shoot me down
Bang bang, shoot me down,

White lies falling from my cherry lips,
Black silhouette against the window,
And downstairs you pour another bourbon on the rocks,
So cold, my cries echo,

Shine the spotlight on me, you only get one scene,
And tonight, show me some affection,
This little movie of mine, you keep forgetting the lines,
And tonight, I need some attention,

Oh, oh, over we go,
Some like it hot but I like it cold,
Now you're spinning me out, round and around,
Like the kiss of a bullet when you, shoot me down

Bang, bang shoot me down, shoot me down
Bang bang, shoot me down,
Bang bang, shoot me down, shoot me down
Bang bang, shoot me down, shoot me down, down, down,

Don't wanna miss, I don't wanna miss the fantasy,
I like it better when I know that something's bad for me,
Don't wanna miss, I don't wanna miss the fantasy,
I like it better when I know that something's bad for me,
Bad for me, bad for me, bad for me,

Oh, oh, over we go,
Some like it hot but I like it cold,
Now you're spinning me out, round and around,
Like the kiss of a bullet when you, shoot me down,

Bang bang, shoot me down, shoot me down

The kiss of a bullet, shoot me down,
K-k-kiss of a bullet, shoot me down,

B-b-b-bang, b-b-b-bang bang bang bang!
