Adelaide

I've got nothing left to burn  
As I watch the picture of you  
Turn to nothing

Adelaide

I'm a victim of your call  
Like an engine 'bout to stall  
Up on the highway

Now I'm folded in two  
'Cos I didn't wanna listen to you  
But there's nothing I can do  
'Cos I'm a killer, too  
Oh drink up child  
It's all about to fade, Adelaide

It's gonna take a little time  
To turn the water into wine  
It's gonna take a lot of cryin'  
It's gonna take your heart or mine  
Is that a tear in your eye?  
I didn't mean to make you cry

Adelaide

Is that trophy on the mantle  
For the taking?

Adelaide

Is it easier to let  
Another make your bed  
Up in the morning?

'Cos now you're broken in two  
Because you let me listen to you  
But there's nothing you can do  
'Cos you're a sinner, too  
Oh drink up child  
It's all about to fade, Adelaide

It's gonna take a little time  
To turn the water into wine  
It's gonna take a lot of cryin'  
It's gonna take your heart or mine  
Is that a tear in your eye?  
I didn't mean to make you cry

It's gonna take a little time  
To turn the water into wine  
It's gonna take a lot of cryin'  
It's gonna take your heart or mine  
Is that a tear in your eye?  
I didn't mean to make you cry

I didn't mean to make you cry
