

Mirror Mirror

Diane Birch

I'm chasing the rainbows end
I'm fighting the weatherman
No sun through my window and no
No love from my uncle Sam

Why do you hide?
Why don't you look me in the eye?

Mirror, mirror, is it me or you that's lying?
Mirror, mirror, is it me or you that's crying?
I don't know, I don't know

Driving the long, long road to you
No it ain't easy
The wheels are turning round and round
But I'm at the beginning

You know I try
But I can't hold my head up high

Mirror, mirror, is it me or you that's lying?
Mirror, mirror, is it me or you that's crying?
I don't know, oh I don't know

'Cause baby I ain't gettin' wiser
Tryin' to find that old road to yesterday
Don't you know I'm only getting' older?
Watchin' every moment blowin' like a feather in the wind

Mirror, mirror, is it me or you that's lying?
Mirror, mirror, is it me or you that's crying?
I don't know, oh I don't know, I don't know

Oh no, I don't know, oh no, no, no I don't know
No I don't know, I don't know, no I don't know
No I don't know
