## **Darn That Dream**

## **Dianne Reeves**

Darn that dream I dream each night You say you love me and you hold me tight But when I awake, you're out of sight

Oh, darn that dream

Darn your lips and darn your eyes

They lift me high above the moonlit skies

Then I tumble out of paradise

Oh, darn that dream

Darn that one-track mind of mine

I can't understand that you don't care

Just to change the mood I'm in

I'd welcome a nice old nightmare
Darn that dream and bless it too
Without that dream, I never would have you
But it haunts me and it won't come true
Oh, darn that dream
