

## For All We Know

Dianne Reeves

For all we know  
We may never meet again  
But before you go  
Make this moment sweet again  
We won't say "Good night" until the last minute  
I'll hold out my hand and my heart will be in it

For all we know  
This may only be a dream  
We come and we go like the ripples of a stream  
So love me tonight  
Tomorrow was made for some  
Tomorrow may never ever ever ever ever come for all we know

For all we know  
This may only be a dream  
We come and we go like the ripples of a stream  
So love me tonight  
Tomorrow was made for some  
Tomorrow may never come for all we know
