For All We Know

Dianne Reeves

For all we know We may never meet again But before you go Make this moment sweet again We won't say "Good night" until the last minute I'll hold out my hand and my heart will be in it

For all we know This may only be a dream We come and we go like the ripples of a stream So love me tonight Tomorrow was made for some Tomorrow may never ever ever ever come for all we know

For all we know This may only be a dream We come and we go like the ripples of a stream So love me tonight Tomorrow was made for some Tomorrow may never come for all we know
