

Just A Little Lovin'

Dianne Reeves

Just a little lovin' early in the mornin'
Beats a cup of coffee for starting off the day
Just a little lovin' when the world is yawnin'
Makes you wake up thinking
Good things are coming your way

This old world wouldn't be half as bad
It wouldn't be half as sad
If each and everybody in it had

Just a little lovin' early in the mornin'
A little extra somethin' to kinda see them through
Nothing turns the day on, really gets it dawnin'
Like a little bit of lovin' from someone, someone like you

This old world wouldn't be half as bad
Wouldn't be half as sad
If each and everybody in it had

Just a little lovin' early in the mornin'
A little somethin', somethin' for startin' out the day
Just a little lovin', a little lovin', a little huggin'
A little kissin', a little, oh yeah

Just a little lovin' early in the morning
Beats a cup of coffee for starting off the day
