

# Let It Snow

Dianne Reeves

Oh the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow!  
It doesn't show signs of stopping  
And I brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow!

When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm  
The fire is slowly dying  
And my dear, we're still goodbying  
But as long as you love me so,  
Let it snow, let it snow, let it snow!

Oh the weather outside is frightening  
But the fire is so delightening  
And since we've no place to go  
Let it snow, let it snow  
Well it doesn't show signs of stopping  
And I got some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow!

When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm  
The fire's slowly dying  
And my dear, we're still goodbying  
But as long as you love me so,  
Let it snow, let it snow, let it snow!
