

I put so much faith into you  
I trusted everybody except myself

Tales of your behaviour  
Like paper in a book  
You try to be my saviour  
How come you can not see the truth?

I Am-oK, if I Am-oK, you see...  
I Am-oK, if I Am-oK  
I put so much faith into you  
I trusted everybody except myself  
I put so much faith into you  
I trusted everybody except myself

Don't se such a stranger  
I Am-oK, But you're in danger!  
I walked for years to get this far  
I have to tell you once again...

I Am-oK, if I Am-oK, you see...  
I Am-oK, if I Am-oK  
I put so much faith into you  
I trusted everybody except myself  
I put so much faith into you  
I trusted everybody except myself

You say my dreams have all turned grey  
How ignorant of you to say!  
You claim that you can feel my pain  
Insane of you to stay!

I Am-oK, if I Am-oK, you see...  
I Am-oK, if I Am-oK  
I put so much faith into you  
I trusted everybody except myself  
I put so much faith into you  
I trusted everybody except myself

I Am-oK, if I Am-oK, you see...  
I Am-oK, if I Am-oK  
I Am-oK, if I Am-oK, you see...  
I Am-oK, if I Am-oK
