

Mythology of Violence

Diary of Dreams

Your strange
Mythology of violence
An ancient
Sacrilege to me
To me

You breathe
The decadence of darkness
You find
Atlantis in your sleep
In your sleep

Your desires
Are strange to me
Your desires
Are strange to me
Take a weapon
In your hand
One by one
One by one
One by one
One by one
One by one

Untamed,
The beast you have in you
A demon's
temper wild at rage
This random
Sensitivity of mercy
A secret
To sacred to be true

Your desires
Are strange to me
Your desires
Are strange to me
Take a weapon
In your hand
One by one
One by one
One by one
One by one
