

Beside your sorrow kono kaze no naka de
kimi to miageta sora wa mada sumiwatatteite
Decided for you kono kaze ni notte
habatakeru sa ima, michi no saki e

kizu no hitotsu sae itoshisou ni daite
"donna itami ni datte imi wa aru deshou?"
gishin o keshite kureta kimi no kotoba
zutto mune no naka de kurikaeshiteiru yo

kono kabe o koeta nara ano sora ni chikadzukeru darou
ushinatta tsubasa wa soko ni aru kara

Beside your sorrow kono kaze no naka de
kimi to miageta sora wa mada sumiwatatteite
Decided for you kono kaze ni notte
habatakeru sa ima, michi no saki e

soko shirenu zetsubou no yoru wa mou aketeiku kara
ushinatta tsubasa ni michibikareru you ni mirai e

Beside your sorrow kono kaze no naka de
kimi to miageta sora wa mada sumiwatatteite
Decided for you kono kaze ni notte
habatakeru sa ima...

Sow seeds of sorrow itsuka kono basho de
nagashita namida no kazu ijou no hanataba o
Decided for you kono kaze no naka de
tomo ni mezasou ima, michi no saki e
