I'll Be Leaving Alone

Dickey Lee

Yes I'll buy you a drink if you'd like me to I might even dance a slow one with you

Lord knows you're a looker and honey what's more

It's not hard to see what you're looking for

You're as tempting a woman as I've ever seen

But there's someone in Tulsa who's trusting in me

She's the mother of my children I'm the rock she leans on

As we dance in the shadows you're holding me tight I can feel the invitation I see in your eyes And the soft light and the music and the wine's rosy glow Ain't making it easy for me to say no Cause you're as tempting a woman

So thank you but no thank you I'll be leaving alone

Thank you but no thank you I'll be leaving alone
