

## Smile As You Go By

Dickey Lee

If you can't love me till forever I'd never hold you and I won't cry  
Leave me gently when it's over if you can't stop smile as you go by  
I could love you like I found you with the sunshine in your eyes  
I'd never wrap out the dreams around you if you can't stop smile as you go by  
If it's forever let me feeling if it's not and still you're satisfied  
Treat me gently when it's over if you can't stop smile as you go by  
  
I could love you like I found you
