Don't Believe in Love

I wanna go to bed With arms around me But wake up on my own Pretend That I'm still sleeping Til' you go home

Oh I can't look at you This morning I should probably have a sign That says 'Leave right now or quicker' You've overstayed your time

If I don't believe in love Nothing will last for me If I don't believe in love Nothing is safe for me When I don't believe in love You're too close to me And that's why You have to leave

Maybe I slept peaceful On your shoulder Your arm warm around my side But it's different now It's morning And I can't face your smile

The second that I feel Your safe hands Reaching out for mine I slip away and out of sight You've ovestayed your time

If I don't believe in love Nothing is good for me If I don't believe in love Nothing will last for me When I don't believe in love Nothing is new for me Nothing is wrong for me And nothing is real for me

When I don't believe in love Why do you care for me? When I don't believe in love Nothing is real for me If I don't believe in love You're getting to close to me And that's why you have to leave And that's why you have to leave

If I don't believe in love If I don't believe in love Dido

If I don't believe in love Nothing is left for me If I don't believe in love You're too good for me
