

# End of Night

Dido

Only now it's gone  
I can see the year  
See it for what it was  
And start another day

All the liberty you took  
The love that you abused  
The friends that you turned  
Against me if you could

And you're twisting what I say  
All that saying you were scared  
It doesn't matter anymore  
Cause I'm not there

You were careless when the beat kicked in  
And careless when it left  
And careless all the way  
I didn't see it till the end

I feel nothing  
When you cry  
I hear nothing  
See no need to reply  
I can smile now  
And turn away  
Come over here  
So you can see me walk away  
And celebrate  
The end of night (4x)

It only takes one lie  
To bring this house down  
Behind closed doors  
No one tells the first time round

Pain is worse when  
You bring it on yourself  
The sweetest bully building  
A love that couldn't last

You were ugly when the beat kicked in  
And ugly when it left  
And ugly all the way,  
I didn't see it till the end

I feel nothing  
When you cry  
I hear nothing  
See no need to reply  
I can smile now  
And turn away  
Come over here  
So you can see me walk away  
And celebrate  
The end of night [x8]

After the fall comes love  
I hate to hate and I love to love

After the fall comes love  
I hate to hate and I love to love

I feel nothing  
When you cry I hear nothing  
See no need to reply  
I can smile now  
And turn away  
Come over here  
So you can see me walk away  
And celebrate  
The end of night (8x)
