

# I Eat Dinner

Dido

I eat dinner at the kitchen table  
By the light that switches on  
I eat leftovers with mashed potatoes  
No more candlelight  
No more romance  
No more small-talk  
When the hunger's gone

I eat dinner at the kitchen table  
And I wash it down with pie  
I eat leftovers with mashed potatoes  
No more candlelight  
No more romance  
No more small-talk  
When the hunger stops

Never thought  
That I'd end up this way  
I who loved the sparks  
Never thought my hair'd be turning to gray  
Used to be so dark  
So dark

Dido:  
No more candlelight  
No more romance  
No more small-talk  
When the hunger's gone  
No more candlelight  
No more romance  
No more small-talk  
When the hunger's gone

When the hunger's gone

Never thought  
That I'd end up like this  
I who love the night  
Never thought I'd be without a kiss  
No one to turn out the light  
Turn out the light

Rufus:  
I eat dinner at the kitchen table

Dido:  
By the light of the TV screen

Rufus:  
I eat leftovers with mashed potatoes

Rufus + Dido:  
No more candlelight  
No more romance  
No more small-talk

Rufus:

When the plate is clean

Dido:

When the hunger's gone
