## **Life For Rent**

1. I haven't really ever found a place that I call home I never stick around quite long enough to make it I apologise that once again I'm not in love But it's not as if I mind that your heart aint exactly break ing

It's just a thought, only a thought

- R: But if my life is for rent and I don't lean to buy Well I deserve nothing more than I get Cos nothing I have is truly mine
- 2. I've always thought that I would love to live by the sea To travel the world alone and live my life more simply I have no idea what's happened to that dream As there's really nothing left here to stop me

It's just a thought, only a thought

- R: But if my life is for rent... (2x)
- \*: While my heart is a shield and I won't let it down While I am so afraid to fail so I won't even try Well how can I say I'm alive
- R: But if my life is for rent... (2x)

Cos nothing I have is truly mine (3x)
