

Paris

Dido

Coming back from Paris on the train
I really didn't care if the journey took all day
Try to turn the pages of my magazine
Whilst trying to keep a hold of your hand and
Ordering a coffee that I wouldn't ever drink
Just to keep you and Paris on my mind
Just to keep you and Paris on my mind
I didn't know it would be the last time
The last time I saw you

At Waterloo we went our separate ways
When I got in my cab
I didn't turn and wave
I didn't go to work
Just went to bed
Trying to keep you and Paris on my mind
Trying to keep you and Paris on my mind
I didn't know it would be the last time
The last time I saw you

I phoned your office this afternoon
They said they hadn't heard anything from you
It's been seven days without a word
I have to keep you and Paris on my mind
I have to keep you and Paris on my mind
I didn't know it would be the last time
The last time I saw you

Going back to Paris on the train
Raining and without you it's not the same
I have to do this journey one more time
Just to keep you and Paris on my mind
Just to keep you and Paris on my mind
I didn't know it would be the last time
The last time
I saw you

The last time
I saw you (3x)
