

See You When You're 40

Dido

I've driven round in circles for three hours
It was bound to happen that I'd end up at your
I temporarily forgot there's better days to come
I thought that I would give it just one more chance

Cos' I want, tonight, what I've been waiting for
But I found, tonight, what I'd been warned about

You think that you are complicated, deep mystery to all
Well it's taken me a while to see, you're not so special
All energy no meaning, with a lot of words
So paper thin that one real feeling, could knock you down

And I've seen, tonight, what I'd been warned about
I'm gonna leave, tonight, before I change my mind

So see me when your 40, lost and all alone
being comforted by strangers you'll never need to know
not sad because you lost me
but sad because you thought it was cool to be sad

You think misery will make you stand apart from the crowd
well if you had walked past me today I wouldn't have picked you
out
I wouldn't have picked you out

now I've seen, tonight, how I could waste my time
and I'll be on my way, and I won't be back
cos I've seen, tonight, what I've been warned about
your just a boy, not a man, and I'm not coming back
