

This Land Is Mine

Dido

1. From behind these walls I hear your song
Oh sweet words
The music that you play lights up my world
The sweetest that I've heard

Could it be that I've been touched and turned?
Oh love, please finally, finally things are changing

R: This land is mine
But I let you
I let you navigate on demand
Just as long as you know
This land is mine
So find your home and settle in
Oh I'm ready to let you in
Just as long as we know
This land is mine

2. After all the battles and the wars
The scars and loss
Well I'm still the queen of my domain
And feeling stronger now

The walls are down a little more each day
Since you came finally, finally things are changing

R: This land is mine...

*: Follow the days I've travelled alone
In this cold and colorless place to mend
It's what I had to pay

R: This land is mine...
