

White Flag

Dido

1. I know you think that I shouldn't still love you,
Or tell you that.
But if I didn't say it, well I'd still have felt it
where's the sense in that?

I promise I'm not trying to make your life harder
Or return to where we were

R: But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be

2. I know I left too much mess and
destruction to come back again
And I caused but nothing but trouble
I understand if you can't talk to me again

And if you live by the rules of "it's over"
then I'm sure that that makes sense

R: But I will go down with this ship...

*: And when we meet
Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on....

R: I will go down with this ship... (3x)
