White Flag

 I know you think that I shouldn't still love you, Or tell you that. But if I didn't say it, well I'd still have felt it where's the sense in that?

I promise I'm not trying to make your life harder $\ensuremath{\mathsf{Or}}$ return to where we were

- R: But I will go down with this ship And I won't put my hands up and surrender There will be no white flag above my door I'm in love and always will be
- 2. I know I left too much mess and destruction to come back again And I caused but nothing but trouble I understand if you can't talk to me again

And if you live by the rules of "it's over" then I'm sure that that makes sense

- R: But I will go down with this ship...
- *: And when we meet
 Which I'm sure we will
 All that was there
 Will be there still
 I'll let it pass
 And hold my tongue
 And you will think
 That I've moved on....
- R: I will go down with this ship... (3x)
