

Who Makes You Feel

Dido

1. I don't touch you the way I used to
and I don't call and write when I'm away
We don't make love as often as we did do
what couldn't wait now waits and usually goes away

But listen and think when I say
Oh, but listen and think when I say

R: Who makes you feel the way that I make you feel
Who loves you and knows you the way I do
Who touches you and holds you quite like I do
Who makes you feel like I make you feel

2. I don't mind if you come home late
and I don't ever ask you where you've been
I just assume if there's a problem, you'd tell me

But listen and think...

R: Who makes you feel the way that I make you feel...

Who makes you feel like I make you feel
Who makes you feel like I make you feel

3. Being weak when I am strong
Being seen for who you are
Being sad and lost but not alone

But listen and think...

R: Who makes you feel the way that I make you feel... (2x)

Who makes you feel like I make you feel
Who makes you feel like I make you feel
