

## Banana Brain

## Die Antwoord

Banana brains, you're the apple of my eye  
Stay with me tonight  
Cause I'm having the best time of my life  
Banana brains, you're the apple of my eye  
Stay with me tonight  
Cause I'm having the best time of my life

Made by God  
Ninji

Baby girl, you're so fine  
So, so fine, you blow my mind  
Look at you, coochie coo  
Juicy, tushy, gushy, goo  
Boobie one, boobie two  
Bouncing like a Looney Tune  
Booty boomin', cookie juice  
Gushin' out your coochie, boo  
You're so cute, like Pikachu  
Ain't no one so sweet like you  
I whistle then you sneak into  
My lonely heart like peek-a-boo  
Now every time I think of you not by my side I dry my eyes  
I just wanna sing lullabies to my little butterfly

Banana brains, you're the apple of my eye  
Stay with me tonight  
Cause I'm having the best time of my life  
Banana brains, you're the apple of my eye  
Stay with me tonight  
Cause I'm having the best time of my life  
Turn up!  
Banana brains, you're the apple of my eye  
Stay with me tonight  
Cause I'm having the best time of my life  
Banana brains, you're the apple of my eye  
Stay with me tonight  
Cause I'm having the best time of my life

Baby boy, you so cool  
How can I stay mad at you?  
I love you and that's the truth  
You so silly, you so stupid  
You the best  
I never want you to stress  
Everything gonna be cool  
Wait and see  
Just hold my hand and stay with me

B-B-Baby girl, you been there for me  
Through thick and thin with cool energy  
You cared for me, yeah, defended me  
Helped me defeat my e-e-enemies  
Life's weird it keeps testing me  
No other girl in the world impressing me  
You like Yudu, you voodoo fresh to me  
You just wanna be different

Get the best of me  
It was meant to be  
You were sent to me  
You and me got wild destiny  
You're like a little angel won't ever pressure me  
E-e-everything you do is so Zef to me  
I love it that you best friends with me  
Just wanna treat your heart carefully  
Cause everyday I feel blessed to be  
The boy chillin' with you right next to me

Banana brains, you're the apple of my eye  
Stay with me tonight  
Cause I'm having the best time of my life
