

Jonah Hill

Die Antwoord

Turn me up! Yo! Uh! Yo!
I step up in the club like, who the fuck's that?
Yeah bitch it's another king, Ninja's back!
Pants sagging down you can see my butt crack!
Sagging so low you can see my nut sack!
Yeah motherfucker my flows are ill, my balls fat and sweaty
Like Jonah Hill, you know the deal
Your boy ninja got skill, like deep throat
There's cum squirting out your nostrils!

Dude what are you doing?
Dude that sounds totally gay
What are you talking about?
It just sounds gay dude
What sounds gay?
Like, the last line, where you say like, the, the "deep throat"
thing it sounds like "cum squirting out your nostrils", that's
what you said
But not, uh, fuck, dude, it's like if you, I'm saying like the
chick
What are you saying?
Uh, like the chick, like skill like a girl who can give deep th
roat
Nah, I don't get it, God what do you think? God? Do you think i
t sounds gay?
Uh, yeah, nah, it does sound a bit gay
But dude you are gay
Exactly so he would know
Yeah just a bit gay
He would know if it sounds gay or not
I thought it was gay
Just let me ask Muggs, let me ask Muggs. Muggs, Muggs dude does
this sound gay?
