

# Never Le Nkemise 1

Die Antwoord

Never Le Nkemise  
Never Le Nkemise  
Never Le Nkemise

Le ka zama mara never leloke

I'm indestructible, gangster number one  
Play now, cry later  
The harder they come, the harder they fall  
You can't stop me  
You can try, but you won't survive  
Cause I'm a motherfuckin' ninja

Zef Side Represent, you're fuckin' with the best

Ninja  
Die wit kaffir  
Ja julle naaiers, skrik wakker  
Tension, tension, t-t-t-tension

Looks like I'm gonna need my  
matt black glock nine millimeter  
Every day's like bulletproof vest time  
When you're rollin' through the motherfuckin' Zef Side

And now we don't stop at the robots  
In the day look around three-sixty degrees  
Like you're bustin' a motherfuckin' doughnut

I'm not even trusting a roadblock  
Our pigs bust caps in the back of your head  
Bang, now you're dead

What you gonna do, huh?  
Maybe go run tell Zuma?  
He doesn't give a fuck  
That's why we keep it motherfuckin' gangsta

I'm not scared of you  
But you motherfuckin' scared of me  
Yeah, the Ninja has become the enemy

I'm indestructible, gangster number one  
Play now, cry later  
The harder they come, the harder they fall  
You can't stop me  
You can try, but you won't survive  
Cause I'm a motherfuckin' ninja

If you don't like funerals, don't kick sand in a Ninja's face...
