

## Peanutbutter + Jelly

Die Antwoord

Yo, I was at the club just chilling and shit  
And this pretty little mama, Alana, pick the paddy up  
Outside, people smoking marijuana  
Sweet talking anna, zero fucking drama  
I'm dressed fresh, got my best tracksuit on, people be like, "W  
here'd you get that dope tracksuit from?"

Yo, every time I rock this shit people bug out, my tracksuit on  
, itchy and scratchy the fuck out  
All of the sudden there's a fucking light in my face, dumb fuck  
with the camera, right in my face  
Dude's like, "look who's all up in the club with a onesie, look  
at me everybody I'm in a onesie"  
This fat fuck mad drunk all brave and shit  
Obviously jealous on this fucking hater shit  
Cell phone in my face shouting loud as he can, so I snatched hi  
s fucking cell phone out of his hand  
His little video must look fucking sick when I stuck his phone  
in my pants and rubbed it on my dick, uh, dude was dumbstruck h  
anded the phone back to this dumb fuck  
Motherfuck nearly had a heart attack, now your flustered, tripp  
ing out all disgusted, I'm holding his phone out but he doesn't  
want it back, it's like fuck it, popped his phone back into hi  
s pocket

"What's wrong with you man, are you fucking crazy?" I replied "  
Yes, totally fucking crazy" gold teeth flashing, smiling, Alana  
, my little 'nana, trying to cool down the drama

"I'll fuck you up man!" Tonight was a special night, now this f  
at fuck was screaming, like you wanna fight, so I said, "You go  
n' bark all night, huh, little doggy? Or you gonna bite?"

Motherfuck was still steaming, making a big scene, screaming, h  
as to get himself kicked out  
He just peanut butter and jealous, peanut butter and jelly, cal  
ling an uber with the smell of dick on his cellie
