Die Antwoord

Yo Hi-Tek, let's fuck around with some of that feel good gansta shit.

I've been rapping for 20 fucking years.
A whole lot of fucking blood sweat and tears.
Who cares they don't give a fuck.
On the mic I'm taking no prisoners.

Check me out yo yo.
So what if I'm only coming in the game?
So what I'm in it for the cash, money and the fame?
So what if this bit of genuine is fucking up your brain?
Yo-Landi Visser is the shit up in this bitch.

I rap for 20 years, never made a cent.
Borrowed money from my mom to pay the rent.
Now how I'm gonna get out this mess?
Yo-Landi shows me two stripes on the fucking piss test.
(Oh fuck), broke ass Ninja gonna be a daddy.
Little baby Ninja gonna need some nappies.
Gave it my best shot, never pressed stop
Thank God die moederfokeen Antwoord went pop.

Got a million fucking dollars in the bank
Then I converted all my dollars into rands

Not too shitty, fuck you Jimmy, I'm a never give it back.
Dont worry Ninja, I'm gonna make you proud.
I'm here to work, I'm not here to fuck around. (is ja)

So excited that I couldn't go to sleep
They wanted my soul, so I sold it for a free
When they dropped the album everyone downloaded it for free

In the overseas they think I'm the shizzle
In South Africa they think I'm a criminal
(Little girl show me your ID)
I don't like the drugs but the drugs sure like me!
