

## Price Of Ignorance

## Die Apokalyptischen Reiter

Order - pay | sow - harvest  
degrade - regret | buy - sell

The price is always the same  
only death is just for nothing  
The quality of your pain  
Only you define it!

Price Of Ignorance

White - black | cold - hot  
light - dark | sweet - sour

It's easy to say "yes"  
It's easy to vegetate  
But life means agony  
And you are too weak for it!

God - Satan | War - Peace

Wherefore ideals ?  
Models for whom?  
Why courage?  
Compassion... for you??
