Roll my Heart

Die Apokalyptischen Reiter

Roll roll roll roll my heart A never ending story Roll roll roll roll my heart Over all the seas Roll roll roll me heart Til the end comes to me

I'm the man who will know every town Every country, every crowd A serious business (that) i call me own I play for you holy tunes

I carry no weapons i'm armed with dreams Just listen if you have to know what it means Maybe i can give you hope if you need some A musicman is giving love to you

The drug i shot now in your brain Is the taste of freedom, check your leader I don't wanna see anyone in chains Let me be your dealer
